Sir,

Subj: West Pakistan refugees - Rehabilitation - Allotment
of sheets - requested.

Handwritten: 12/12/50

I regret to state that I have submitted a number of applications for the supply of Iron sheets for the manufacture of steel trunks; but no response for the same till now. It is nearly seven months since I got the first quota of ~~xxxxxx~~ sheets. Since then I am idle without any work.

went to S.S.S.

I personally ~~xxxxxxxx~~ Madras with reference to this and I was assured by the Director of Controlled Commodities Madras that my case will be considered and that I will get the quota of sheets in a week. I spent nearly Rs.25/- for this travelling expenses and no quota of sheets is forthcoming inspite of the assurance. I got the loan from the Government for my business and rehabilitation here and I do not know how to maintain my family in the absence of income. For the past seven months I am forced to spend the Government loan amount and I fear all the loan amount of Rs.250/- will be exhausted towards my family expenses in case no quota of sheets is supplied to me at once.

I request you therefore to kindly send the permit for the purchase of the sheets at once and thus save this poor refugee and help him for rehabilitation here.

Thanking you.

Yours faithfully,
